

Lower your electric rate and together we can support United Way.TM

More money for you. More support for our community.

What's that you say? You didn't know you could lower your electric rate? Well you can, saving you money on a bill you pay each month. With North American Power you can now choose a lower electric rate over your utility's rate AND help us support United Way without reaching into your pockets.

Start saving today. It's fast, easy and hassle free.

- **No Cost to You:** Choosing North American Power's lower rate is FREE and you can return to your utility's rate at any time without penalty.
- **Same Reliability:** Your utility will still be there just as it always has to take care of service, billing and emergencies. The only change is the money you save.
- **Support for United Way:** North American Power will donate \$10 on our behalf when you get started, plus an additional \$2* every time you pay your electric bill.

Think about it, you can help United Way raise tens of thousands each month to advance the common good in your community by simply paying your new, lower electric bills.

GET STARTED TODAY! See how much you can save by visiting napower.org/mxunitedway or call: **877.572.9447**

One Bill Simplicity.

It's the same electric. Same service. Same bill. The only change is the money you save.
