

GET TO KNOW

MIDDLESEX UNITED WAY

By cultivating leadership and partnerships, bringing resources together, and investing in our community, Middlesex United Way acts as a catalyst to achieve measurable, positive impact in education, health, housing, financial stability and racial equity and inclusion. Middlesex United Way envisions a community where students succeed academically, individuals & families are healthy and safe & youth and adults avoid risky behaviors, have safe & affordable housing, are economically stable, and a community that is anti-racist, equitable, and inclusive.

IMPACT AREAS

Last year, the Middlesex United Way invested over \$600,000 in the Community. More than 20,523 children and adults in Middlesex County benefited from programs and services provided by our 38 partners.

MIDDLESEX UNITED WAY COVID-19 RESPONSE

During COVID-19, Middlesex United Way provided support to local agencies on the front lines of the need as well as provided over \$60,000 directly to local families and individuals who were struggling to have their basic needs met.
